INTRODUCTION
Welcome to Notre Dame Elementary School! Our Parent-Student Handbook is designed to familiarize our parents and children with the foundational statements of NDES, its activities and consequent responsibilities so that parents can support our efforts to educate children in their faith formation and education. This handbook serves as the “written agreement” between the family and school in terms of the expectations we have for the relationship between the school, parents and their children.

Parents and students are responsible for understanding and following the information contained in these pages. During a school year, a policy may be amended, revised, or deleted. If this occurs, the school will attempt to give prior written notice. It remains the prerogative of the school administration to implement and interpret the provisions of the handbook.

Parents are requested to indicate their acceptance of all handbook policies by signing the elementary Back-To-School online form.

FAITH FORMATION
Notre Dame Elementary School provides students with an experience of living in a community of faith that supports their development of a deep, personal relationship with Jesus, leads them to meaningful participation in the sacramental life of the Church and assists students in developing attitudes of service. All students participate in religious instruction.

LITURGICAL AND SACRAMENTAL PARTICIPATION AND PREPARATION
To support students in the growth of their faith, they are provided with frequent opportunities to plan and participate in the celebration of Eucharist and prayer services according to the liturgical year. Students in grades 3 – 8 have the opportunity to celebrate the Sacrament of Reconciliation during Lent. While students receive the sacraments of Reconciliation, First Communion and Confirmation in their home parishes, the 2nd and 8th grade curriculums support the preparation for the sacraments. It is the responsibility of the parent to contact their parish in September to have their children included in the parish programs for sacramental preparation.

SERVICE REQUIREMENT
All eighth grade students are required to complete 20 service hours before they graduate. All other students are encouraged to develop the habit of giving themselves in service at home, to their neighbors or to those who are in need.

SCHOOL PERSONNEL OVERVIEW
Notre Dame Elementary School is sponsored by the Sisters of Notre Dame and governed by the Notre Dame Schools Board of Directors. One Board oversees both NDES and Notre Dame-Cathedral Latin School.

The president, hired by the Board of Directors, is the chief executive officer of Notre Dame Schools leading the senior management team responsible for external and internal operations.

The finance and advancement departments assume a major responsibility for assuring that Notre Dame Schools are fiscally responsible and intent on giving visibility to the mission, vision and core values.

The principal, working closely with the religious coordinator, faculty and staff, accepts the responsibility for the Catholic identity of Notre Dame Elementary School and Preschool. Together they accept their call to guide and form the children as they grow in their relationship with Jesus, devotion to Mary and service to others.

The teachers, who directly impact the lives of children every day, are highly competent and state certified.

Specialized instructors in art, music, physical education, enrichment, technology and Spanish expand the curriculum. Auxiliary personnel (nurse, speech therapists, psychologist and intervention specialists) support the faculty in educating, caring for and forming the children.
PARENT INVOLVEMENT

Parent Responsibilities
Parents, as the primary educators of their children, partner with the school by:

• Promoting the faith formation of their children.
• Making church attendance an integral part of their family life.
• Supporting the school and staff in every way possible.
• Providing an atmosphere at home that promotes good study habits.
• Developing and encouraging the gifts and talents of their children.
• Meeting all financial responsibilities promptly and in accord with the financial policies in this handbook.
• Supporting and participating in special events sponsored by the school.
• Attending, if possible, school programs and events highlighting the children.

Parent Groups

The Notre Dame Parent Association (NDPA): The Notre Dame Parent Association is an organization comprised of parents/guardians of students enrolled in Notre Dame Elementary School. Their purpose is to promote the spirit of Christian community through spiritual and social activities for families.

Parent Volunteers

NDES welcomes parent volunteers every day and offers many opportunities to become involved. An electronic volunteer sign-up will be available at the beginning of the school year. A representative will contact parents regarding meetings and planning for a particular event. Parents who have consistent contact with the children must complete the following:

• An online volunteer application.
• Acknowledge receipt and reading of the Diocese of Cleveland, “Policy for the Safety of Children in Matters of Sexual Abuse.”
• Acknowledge receipt and reading of the Diocese of Cleveland, “Standards of Conduct for Ministry.”
• Attend the Diocesan VIRTUS training program.
• Complete a background check.

Access the NDES website for a volunteer application, Diocesan policies and the link to sign up for VIRTUS training.

ADMINISTRATIVE PROCEDURES AND PRACTICES

Registration of Students

Currently enrolled: Registration of current students occurs in the second semester. A non-refundable registration fee is required at registration.

Kindergarten: A child must be five years of age on or before September 30th and be screened before final acceptance into kindergarten.

Students new to the school: Transfer students applying for admission in grades 1 – 8 must present a copy of their current report card and standardized testing results. An interview with the student and a placement test are part of the admission process. Registration is complete when academic records and health records are received from the school previously attended.
School Records

**Permanent Records:** Accurate and complete individual permanent and cumulative records are maintained for each student enrolled at NDES. These records will include the student’s attendance records, grades, test scores and other pertinent information that is relevant to the student’s enrollment at NDES.

**Availability for Review:** The school implements any and all requirements of the Family Education Rights and Privacy Act ("FERPA"). Parents of any student who is or has been in attendance at NDES have the right to inspect and review the education records of their children. Access shall be made to the parents upon receiving a written request and within forty-five (45) days of the request. With the exception of the parents and those employees of NDES who have access to education records within the normal course of business, all student records remain confidential.

**Transcripts:** Final report cards and student records are the property of Notre Dame Elementary School. The school will release student records after all financial accounts have been settled. When a student withdraws from Notre Dame Elementary School, a copy of the cumulative record card and health records will be sent directly to the receiving school after a signed request by the parent is received and all payments are complete.

School and Office Hours

Classes begin at 7:55 AM and end at 2:40 PM. After 3:00 PM, all children are sent to the school’s After Care Program. Parents are responsible for covering the charge for this service. The school office opens at 7:30 AM and closes at 4:00 PM on school days. The office phone number is 440-279-1127.

Attendance Policies

**Reporting Absences, Tardies & Early Dismissals**

If a child is absent, tardy or will be leaving school early, please do the following by 9:00 AM:

- Complete the on-line Attendance/Early Dismissal form
  Upon form completion, all information is sent to the grade level teacher(s) and front office
  OR
- Call the Absent, Tardy and Early Dismissal Message System
  NDES – 440.279.1127

**Reporting Daily Changes in Transportation**

If a child requires a transportation change such as taking the bus, being a car rider or attending After Care, do the following by 2:00 PM:

- Call the Change in Transportation Message System
  NDES – 440.279.1127

See Office Forms on the NDES website for all on-line attendance forms.

**Make-up Work Due to Prolonged Absence**

If a parent knows his/her child will be absent for five or more days, the person to contact is their child’s teacher. In some instances, the parent may be asked to present a doctor’s letter for the absences.

**Tardy to School**

Students are tardy if they are not present in the classroom by 7:55 AM. Tardiness is recorded on the report card and cumulative record. If a bus is late, the student will not be marked tardy. A student who is absent, tardy or has been dismissed early from school is not eligible for the Perfect Attendance Award. This includes medical appointments.

**Family Vacations**

The responsibility for taking a child out of school for a family vacation is the decision of the parents. In all instances, the education of the child is the primary consideration. It is the responsibility of the child to complete all assignments and other class work that is missed during the following school week.
Family Custodial Agreements
A copy of the page of the court decision bearing the case number, the sections referring to visitation rights, the school’s responsibilities and contact and the page bearing the judge’s signature and court seal must be submitted to the school. These are kept on file in the school office.

The custodial parent is required to inform the principal or school office when modifications are made to the court order. Ordinarily, communications regarding the child will be sent to the custodial parent only.

In instances of “joint custody,” both parents will receive school communications and information. Parent/Teacher conferences will be scheduled jointly if both parents wish to have a conference.

In the case of family difficulties (lawsuits, divorce, etc.) the student will be released to the parent who is the legal guardian.

Emergency Closing Procedures
All families receive voice, text and email notifications for emergency closings. They may also check the school website (www.notredameelementary.org), weather or local TV stations or listen to the local media on radio or TV. The closing announcement will be made as soon as possible. In inclement weather, Notre Dame Elementary School follows the decision of the Chardon School District. If Chardon is closed, NDES is closed. If school is closed, all scheduled activities are also cancelled.

If a particular school district is closed and/or does not provide busing during inclement weather and Notre Dame Elementary School is in session, parents make the decision about bringing students to school. Students not in attendance on these days will be marked absent.

FINANCIAL POLICIES

Tuition Agreement
Upon registering their child(ren) at NDES, parents enter into a financial contract with the school. In return for the educational services provided, parents are expected to fulfill their financial commitment to the school. Tuition and fees are set each year based on projected enrollment. Faculty contracts are based on enrollment projections and these employment contracts are binding to NDES for the full academic year. Therefore, the obligation to pay the tuition and fees is binding.

Schedule of Charges
- Tuition: $5,950
- Activity Fee: $125
- Registration Fee: $150

Payment Plans
NDES has contracted with FACTS/Nelnet Business Solutions to be the processor of tuition payments. Each family in the NDES community is required to have an account.

HOME-SCHOOL COMMUNICATIONS

Contacting a Teacher
Teachers can always be contacted via phone, voice mail or email. Expect a response within 24 hours. The home phone or mobile numbers of any school personnel or students will not be released by Notre Dame Elementary School.

Student Progress System - PlusPortals
Information regarding student progress can be accessed through the PlusPortals system app or desktop application. The PlusPortals system provides information such as homework assignments, grades, school forms and links to school website information, school calendar, school family and faculty/staff directory, homeroom lists and so much more. An email sent at the beginning of the year will include account credentials for each parent. Students in grades 5-8 will also receive login credentials. This email will also contain the Back-to-School online form. Direct all questions regarding passwords and instructions for use to Michelle Naro at mnaro@ndes.org.

Parent-Teacher Conferences
All parents are asked to attend the scheduled conference during the first semester. It is extremely helpful if parents can accommodate their schedules to the time allotted. Online registration for conferences will be accessible under Quick Links the first week of October. The second semester conference is optional.

Lion's Tale E-Newsletter
Each Wednesday, NDES sends an electronic newsletter via email and text. The Lion’s Tale provides a snapshot of news, achievements and important information about our school. An archive of all electronic newsletters can be
accessed at ndes.org and the PlusPortals System. If anyone wishes to submit news, send to ndescommunications@ndes.org by Friday at 3:00 PM. All information submitted will be reviewed by the marketing and communications personnel, who will determine whether or not this is the best means of communication.

NDES Website Calendar
A Google based electronic calendar can be accessed from the website. This calendar provides dates, times and locations for all school happenings. It also streams to the PlusPortals system calendar. Families can subscribe to the calendar in an iCal format. Anyone wanting to add an event, please submit a request to ndescommunications@ndes.org.

Parent Notification System
Messages/announcements/updates will periodically be sent home through the parent notification system.

Parent Travel
When parents are traveling for business or other purposes and cannot be contacted, it is important to inform the school office in writing or by email, as to who is the responsible person in case of an emergency.

Electronic Family Directory
Each year Notre Dame automatically enrolls each child in the online school directory. This online directory will not be furnished to any persons other than parents of children enrolled in our program. The electronic directory will include the following demographics:

- Name, address, phone number, e-mail of parents;
- Name of child (children) in school.

Should a parent not want all or part of the information available, a parent can edit what is shown to the school community on PlusPortals. We understand that all parents and students will be listed in the electronic school directory and it will be the responsibility of the parent(s) to edit their settings on PlusPortals if they choose not to be listed.

Address, email address and phone numbers can be changed by emailing mnaro@ndes.org.

This online directory is confidential and is intended for the exclusive use of the Notre Dame Elementary School and Preschool families. It may not be loaned, rented, sold, reproduced or used for commercial purposes either by ND families or others without the expressed written consent of the principal of Notre Dame Elementary School. Parents are requested to indicate their acceptance of electronic family directory procedures by signing the Back-to-School online form.

Media Release Form
All parents are requested to complete the Media Release Form at the beginning of the school year. This form will be part of the Back-to-School online form.

Promotion, Retention and Acceleration

The administrators of the school, in consultation with the teachers, have the right to assign, retain or accelerate students to a particular grade level. Acceleration of a student is advised if all other avenues of meeting the student’s intellectual gifts have been exhausted. Acceleration must have the approval of the administration, respective teachers, parents and the student.

The right to retain a student is dependent on the school's judgment and therefore, parental permission is not required. However, parents will certainly be notified and consulted prior to any definitive action by the administration. Retention may be considered for the following reasons:
- Failure in three or more core subjects i.e., reading, mathematics, English, science and social studies.
  A student fails an individual subject if he/she receives an average grade of “F” in that subject for the school year.
- Failure to master fundamental reading skills in the primary grades
- Failure to show the readiness necessary for the next grade
- Social immaturity
- Excessive absence

Academic Probation

If a student receives two failing grades, three or more D’s or any combination of these grades, the student is placed on academic probation for one quarter. It is the responsibility of the student and the parents during this quarter to monitor progress in the identified subject areas. A student is removed from academic probation, if, at the end of the quarter, the student has improved and no longer has two failing grades or three subject areas below average. If no improvement is evident, the student may be asked to transfer from Notre Dame Elementary School.
If a student is on academic probation they will also be placed on sports probation. They will not be permitted to play CYO sports until their grades are raised.

**Summer Tutoring**

Failure of a core subject (i.e., math, reading, ELA) may result in summer school or private tutoring by a certified teacher. Courses are offered in local public school districts. Both the attendance record and progress that demonstrate learning are required before the student may return to NDES in the fall.

**Standardized Testing Program**

Standardized testing provides a systematic way of assessing student mastery of basic skills. The following standardized tests are given:

- Grades K – 8: MAP Testing (Measures of Academic Progress)
- Grades 5 and 8: ACRE Religion Test
- Grades 1, 3 and 5: Cognitive Abilities Test

**CODE OF CONDUCT**

**Student Expectations**

Students of Notre Dame Elementary School are expected to act in a manner that reflects their dignity as children of God and transforms their lives. They are expected to be young men and women of integrity who work for justice, treat others with respect, value community and strive for excellence.

Notre Dame Elementary School’s Code of Conduct flows from its mission, vision, and core values and intends to develop the art of self-discipline in each student and promote an atmosphere conducive to building Christian community and effective learning in all classrooms.

**Consequences for Violations**

The school’s intent in having a Code of Conduct is to guide children in choosing good at all times. Because children do not readily think through consequences of their words and actions, NDES has a system of consequences, namely, a demerit system, for those who do not adopt fully the school’s code of conduct. Consequences vary based on the seriousness of the offense.

Parents have the opportunity and obligation to discuss with their child the behavior leading to a demerit and determine a plan of action to correct the behavior. The demerit is signed and returned to school indicating that this action has been taken. Repeated demerits may result in the child serving an after-school detention.

If a particular action is more serious than warranting a demerit, the administrator or teacher involved with the student may issue a detention. An administrator is always involved when a behavioral matter may require a possible suspension. In both cases, parents will be notified.

The violations listed below are representative of the levels of infraction. They are not meant to be all-inclusive.

1. **Demerit:** Excessive talking, discourteous behavior, not being in the right place at the right time, bus incident, disrespect for school property

2. **Detention:** Accumulation of three demerits, disrespect toward others, disturbing the class, fighting, lying, cheating, cell phone use on school grounds

3. **Suspension:**
   - Administrators may suspend a student. Parents are notified as soon as possible. A student is usually suspended after the student and parents have had an opportunity to meet with the principal. However, if the situation is so serious or dangerous, immediate suspension may take place followed by a prompt post suspension conference with the parents and student, at which time the student will have an opportunity to be heard.
• Where the suspension is served and the length of time is based upon the severity. Usually it is served at home supervised by a parent and is served immediately following the violation.
• During this time, the student is responsible for all academic work missed and is penalized 20% for work submitted. If a suspension is repeated within the same academic year, the student is penalized 40% for work submitted.
• Suspension violations include but are not limited to:
  – Stealing, cheating, plagiarism
  – Defiance of authority
  – Threat of harm to anyone, whether physical, written or verbal
  – Leaving the school during the school day without permission
  – Exhibiting or threatening violence of any type
  – Misuse of or vandalism of school property
  – Destroying the property of another at school or school events
  – Use, possession or distribution of alcohol, drugs, tobacco or vaping devices on school grounds or at school events
  – Inappropriate use of the school’s technology or other forms of communication
  – Possession of a weapon (whether real or look-a-like) at any time: on school grounds or at school events, whether on or off the property, while being transported on a school bus or other vehicle to or from school or a school event or at any other time when a student is subject to the authority of the school
  – Any other offense deemed serious by the administration

**Seriousness of the Offense**
All of the above violations apply any time, when a student is subject to school authority, whether on or off campus. Some may warrant contacting local law enforcement authorities or may involve a referral to Children’s Services or require counseling with the school psychologist. The administration reserves the right to exercise its discretion to handle serious student problems in ways other than those listed above.

**Dismissal or Expulsion**
Some of the above suspension offenses or others deemed serious may warrant immediate dismissal or expulsion because of the pattern of actions or severity of the offense. This decision is the right and responsibility of the principal.

**Elastic Clause**
Because it is impossible to foresee all problems that may arise, this clause empowers faculty members and administration to issue consequences for any action that violates the mission or core values of Notre Dame Elementary School, even though not specified here. The judgment of the administration in all disciplinary matters is final.

**Procedure for Appeal**
In cases of suspension, dismissal or expulsion, the parent may request a conference with the principal to discuss the action taken. The principal, parents and the student will be present at the conference. The principal has the right to invite others to participate in the conference.

**DRESS CODE AND UNIFORM POLICY**

business by 2:00 PM. After that time, the parking area is reserved for the buses. If a parent will be in the school past 2:00 PM, the car should be parked in the Sisters of Notre Dame parking lot closest to the SND chapel.

3. Parents are not permitted to pick up other students without the express permission of the parent.

**During School Hours**

The blacktop area is closed to any traffic between 9:30 AM and 2:00 PM. If you have business to conduct with the school during this time, park in the bus parking area until 2:00 PM or in the Sisters of Notre Dame parking lot closest to the SND chapel.

If a parent has questions regarding transportation provided by a public school district, please contact the local transportation coordinator’s office. They can give you the most accurate and up-to-date information regarding pick-up and drop-off times, bus routes, bus transfers, etc.

**Safety**

The NDES Safety Plan is available in the school office and in all classrooms. NDES is in compliance with the state of Ohio’s mandates for school safety. If an emergency occurs, parents will be notified as quickly as possible.

**Health**

**School Nurse**

The school nurse provides immediate care for students who become ill or injured at school during school hours and administers medication in accordance with school policy. Students seen by the nurse will be sent home if any of the following are evident: temperature over 100 degrees, vomiting, diarrhea, an undiagnosed skin rash or pediculosis (head lice).

Students are required to remain at home if they are ill, have a fever and until they are free of all symptoms for 24 hours without the use of fever reducing medication.

When a child is in school, the expectation is that they can participate in all activities. The obvious exception would include children with severe asthma or broken bones.

Contact the clinic to discuss any accommodations required following surgery or an injury. The school nurse can be contacted at 440.279.1130.

**Administration of Medications**

Any student who is required to take prescription or non-prescription medication during school hours must have on file the medication permission form with physician and parent signatures or provide a written note from the prescribing physician which details the name of the drug, dosage, route and time of administration, possible side effects, reason for use and expiration date of order with physician and parent signatures. This also includes cough suppressants, throat lozenges, aspirin and antacids which are over-the-counter non-prescription medications.

Upon arrival at school, bring the medication or OTC medication in the original container directly to the school nurse in the clinic. Parents of students who use an inhaler or an epi-pen must submit the necessary forms for a child to carry this medication. Before the end of the school year, a parent or guardian must pick up unused medication or the nurse will dispose of it.

**Immunizations and Physicals**

Ohio State Law requires that any child who does not meet the Ohio minimum requirements for shots
cannot be admitted to school. Parents will be notified if a student is not in compliance. After 15 days, the student will be excluded from school if they are still non-compliant.

**Health Precautions**

When a student loses a tooth, it will come home in a plastic bag labeled with a biohazard sticker. Blood on clothes will be covered with tape or clothes will be changed and the soiled clothing sent home in a bag labeled with a biohazard sticker.

If a student cannot participate in physical education class due to illness or injury, a physician’s note is required for extended non-participation.

**Communicable Diseases**

If your child is diagnosed with a communicable disease such as strep throat, pink eye, head lice or chicken pox, please inform the school immediately. The appropriate families will be notified. This is in accordance with state law.

The contemporary areas include the inspired and innovative dishes served at Signature, the sizzling and seasoned selections from the Grill, as well as tasty favorites from our Salad Bar and Fresh-to-Go choices. Lunches cost $4.00 – $4.25.

**Account Setup**

AVI offers a computerized point-of-sale (POS) debit card system for the convenience of students and parents. Cash is also accepted. AVI’s online service allows families to monitor their child’s lunchtime purchases, track what their child has been eating for the past 30 days, make deposits directly into their
meal accounts, transfer funds between students and have an email reminder sent to them when an account balance gets low. Student debit account deposits can be made through ACH payments or by credit card. Each child’s account will be updated nightly so that account balance information and payments will be current as of the following day. Funds may be deposited into this account by check (payable to AVI Foodsystems but mailed to NDES), by credit card via the myschoolaccount.com website, or by cash payment in the school office or cafeteria. The swipe card functions as a debit card, not a credit card. AVI recommends a minimum balance of $10. If an account balance reaches zero, only cash purchases will be allowed. See the NDES website for details on how to enroll in the POS system.

For questions, contact Mr. Jay Cabatingan, AVI’s Resident Director, at (440) 279-1058.

Beverages

Beverages in glass containers or those containing red food dye may not be brought to school.

Snacks, Treats, Parties

Many of our students have food allergies and/or dietary restrictions. The safety and health of all students are extremely important. All classrooms are nut free.

NDES provides two convenient options for birthday celebrations: ordering an allergy-free treat from AVI or sharing a non-edible item. An online form with allergy-friendly options is available.

Care of Books and Property

Students are responsible for books and any school equipment they use. Workbooks are to be covered with clear contact paper and hard-bound books with cloth or paper book covers. Any damaged materials require monetary reimbursement to the school.

If a student needs to bring money to school for a school related purpose, it is to be in a sealed envelope and marked with the student’s name, room number and purpose for the money. Money for personal use should remain at home and not be brought to school. Collection of money for any purpose from an NDES family requires prior approval of the principal.

Lost and Found

All materials and clothing should be labeled clearly with the student’s name and grade. Lost items will be placed in “lost and found” which is located outside of the school dining room. Items not claimed will be given to charity.

Items Left at Home

Items, such as homework, lunch, gym clothes, etc., forgotten at home may be brought to the school office, where students may check during the day. It is the responsibility of the student to check for forgotten items.

Pets

If a child requires a service dog because of a disability, this is certainly permissible. Pets should be kept in the car during drop off and pick up of students and not brought into the school.

APPENDIX A: TECHNOLOGY ACCEPTABLE USE POLICY

Notre Dame Elementary School
Technology Acceptable Use Policy

Notre Dame Elementary School makes a variety of communication and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence by facilitating resource sharing, innovation and communication. Illegal, unethical or inappropriate use of these technologies can have dramatic consequences, harming the school, its students and its employees. The Acceptable Use Policy is intended to minimize the likelihood of such harm by educating Notre Dame Elementary School’s students and setting standards that will serve to protect the school. We firmly believe that digital resources, information and interaction available on the computer, network or Internet far outweigh any disadvantages.

In addition, students may not access the network with personal devices.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to:
• cyberbullying

• use of hardware and/or software which disrupts or interferes with the safety and welfare of the school community (even if such uses take place after school hours or off school property)

Vandalism or Mischief: Tampering with or theft of components from school systems may be regarded as criminal activity under applicable state and federal laws. Any attempt to break the law through the use of a school computer/network/Internet account may result in prosecution against the offender by the proper authorities. If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

Modification of Computer: Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited.

Student Access: Computer/Network/Internet access is provided to all students unless parents or guardians request in writing to the school principal that access is denied.    b. Report security risks or violations to a school administrator, teacher or network administrator.
   c. Do not destroy or damage data, networks or other resources.
   d. Conserve, protect and share these resources with other students and Internet users.

3. **Respect and protect the intellectual property of others.**

g. Print only materials that are assigned by a teacher and are for educational purposes.

**School Email and Communication Tools:** Email and other digital tools such as, but not limited to, blogs and wikis are tools used to communicate. The use of these communication tools should be limited to instructional, school related activities or administrative needs. All communications within these tools should adhere to the above mentioned rules.

**Subject to Monitoring:** All Notre Dame Elementary School network/Internet usage shall not be considered confidential and is subject to monitoring by designated staff at any time to ensure appropriate use. All electronic files, including email messages, transmitted through or stored in the computer system, will be treated no differently than any other electronic file. Notre Dame Elementary School reserves the right to access, review, copy, modify, delete or disclose such files for any purpose. Students should treat the computer system like a shared or common file system with the expectation that electronic files, sent, received or stored anywhere in the computer system, will be available for review by any authorized representative of Notre Dame Elementary School for any purpose. Personal telecommunication devices are subject to examination in accordance with disciplinary guidelines if there is reason to believe that the Acceptable Use Policy has been violated.

**Consequences for Violation:** Violations of these rules may result in disciplinary action which may include the loss of a student's privileges to use the school's information technology resources. Users have the responsibility to use technology resources in an appropriate manner. Consequences of misuse or abuse of these resources will be disciplined depending on the severity of the situation. In addition to school disciplinary action, appropriate legal action may be taken.
